

Cover flat · A5 · spine 3 mm

Solid line = trim. Grey line = 3 mm bleed. Dashed = folds. Crop marks outside. Draw or paste your design inside; keep text 8 mm from trim.

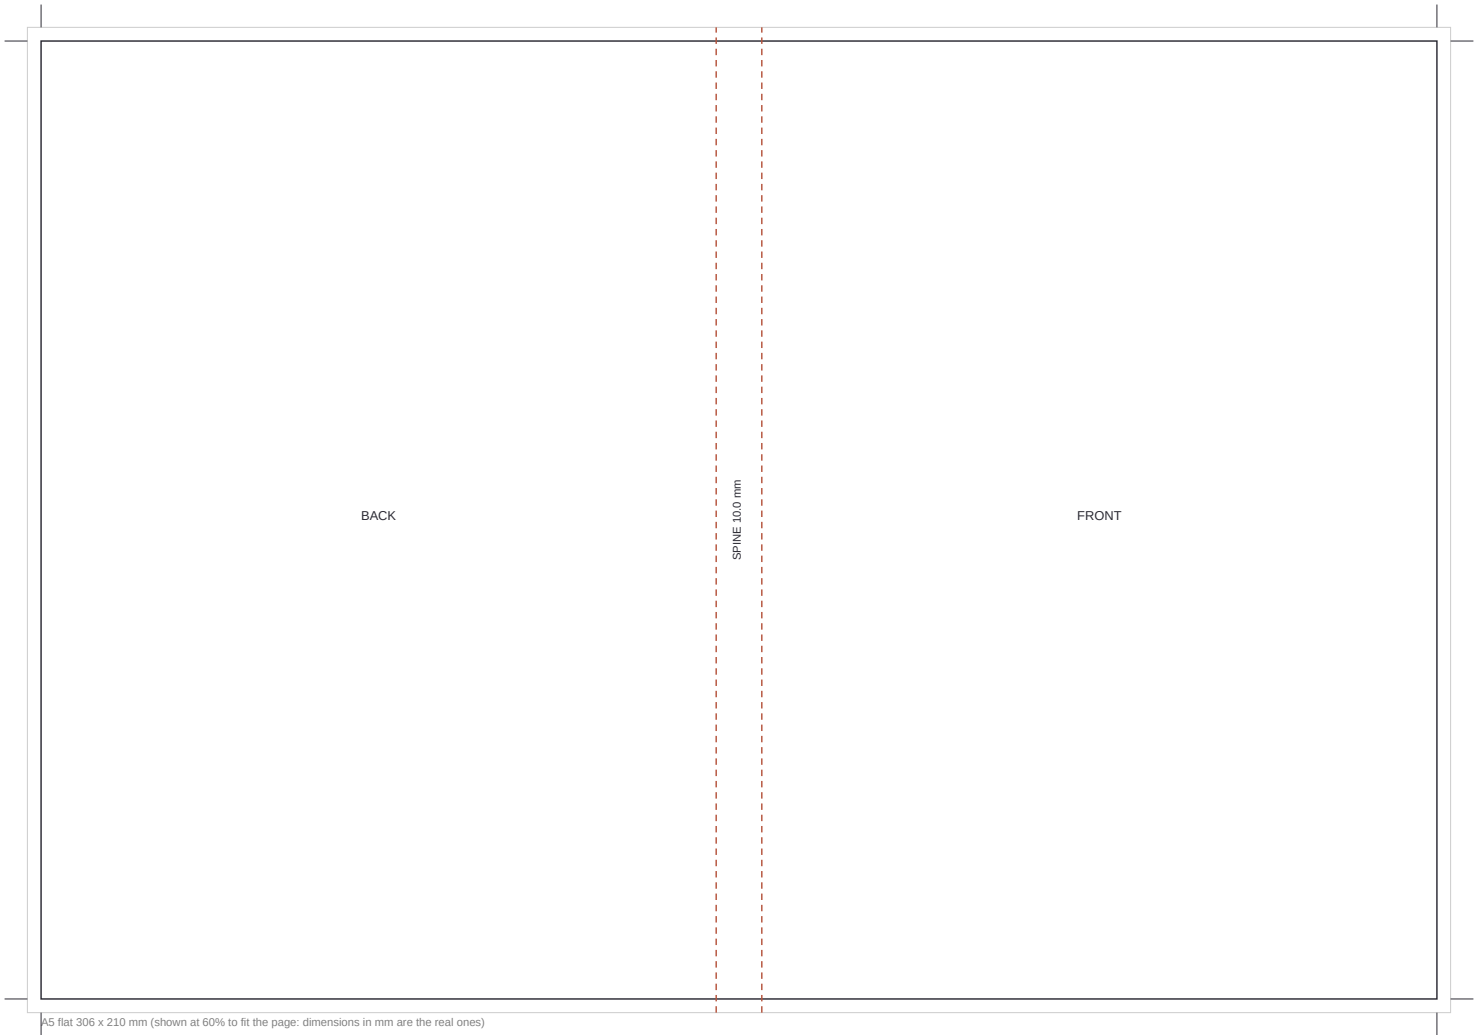

Cover flat · A5 · spine 6 mm

Solid line = trim. Grey line = 3 mm bleed. Dashed = folds. Crop marks outside. Draw or paste your design inside; keep text 8 mm from trim.

Cover flat · A5 · spine 10 mm

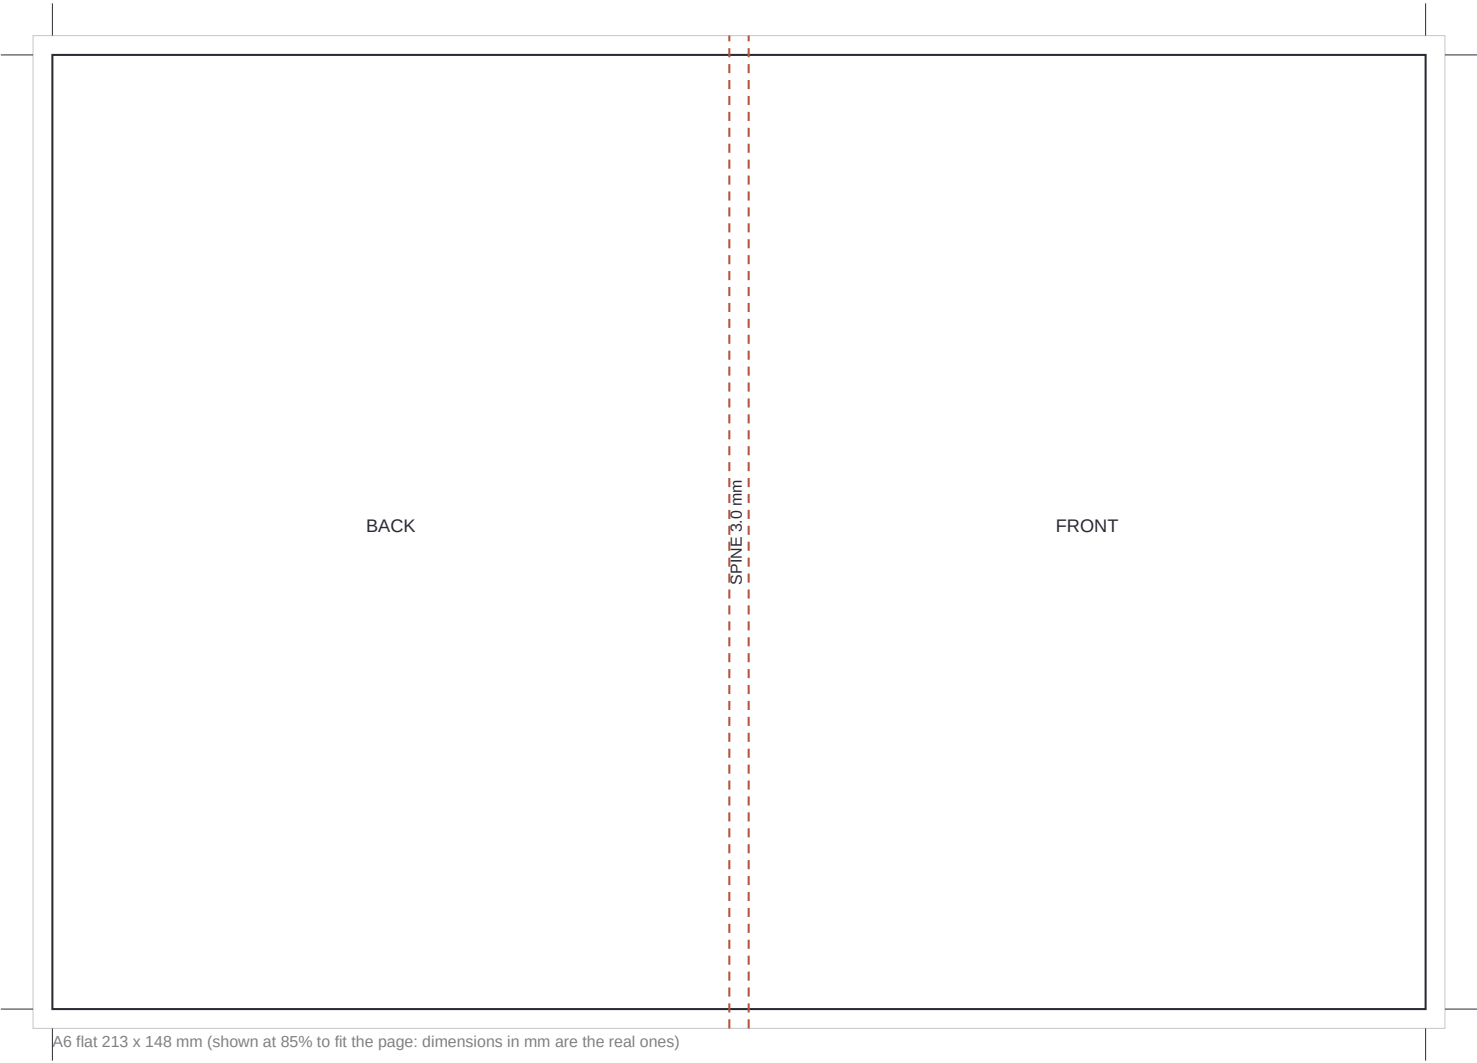

Solid line = trim. Grey line = 3 mm bleed. Dashed = folds. Crop marks outside. Draw or paste your design inside; keep text 8 mm from trim.

A5 flat 306 x 210 mm (shown at 60% to fit the page: dimensions in mm are the real ones)

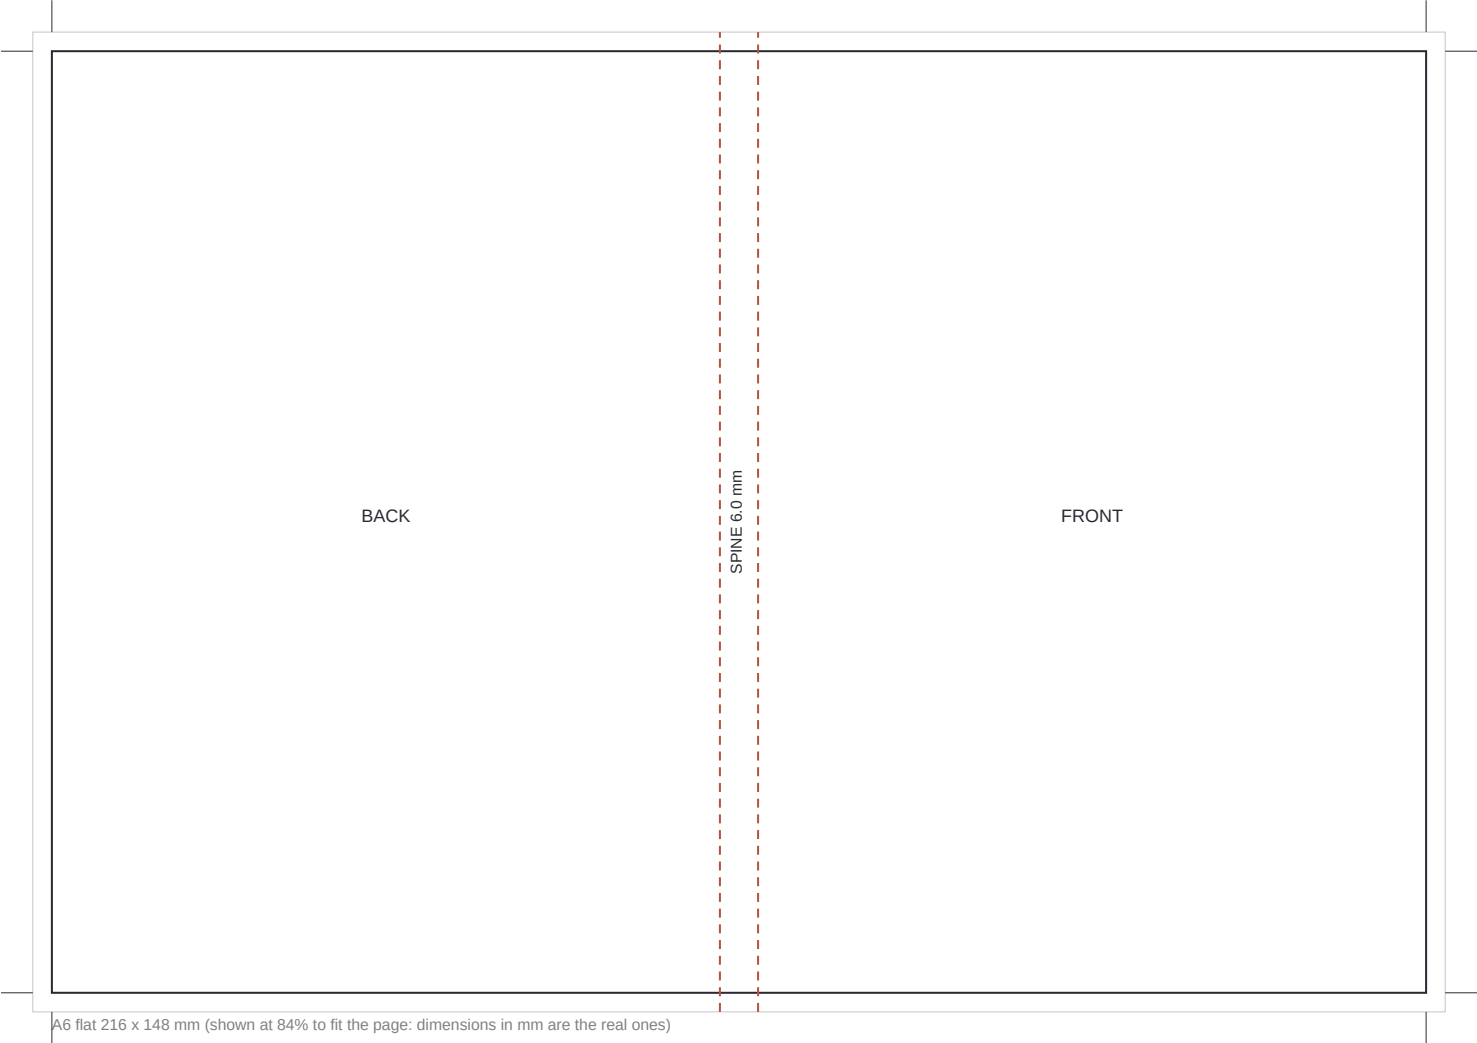

Cover flat · A6 · spine 3 mm

Solid line = trim. Grey line = 3 mm bleed. Dashed = folds. Crop marks outside. Draw or paste your design inside; keep text 8 mm from trim.

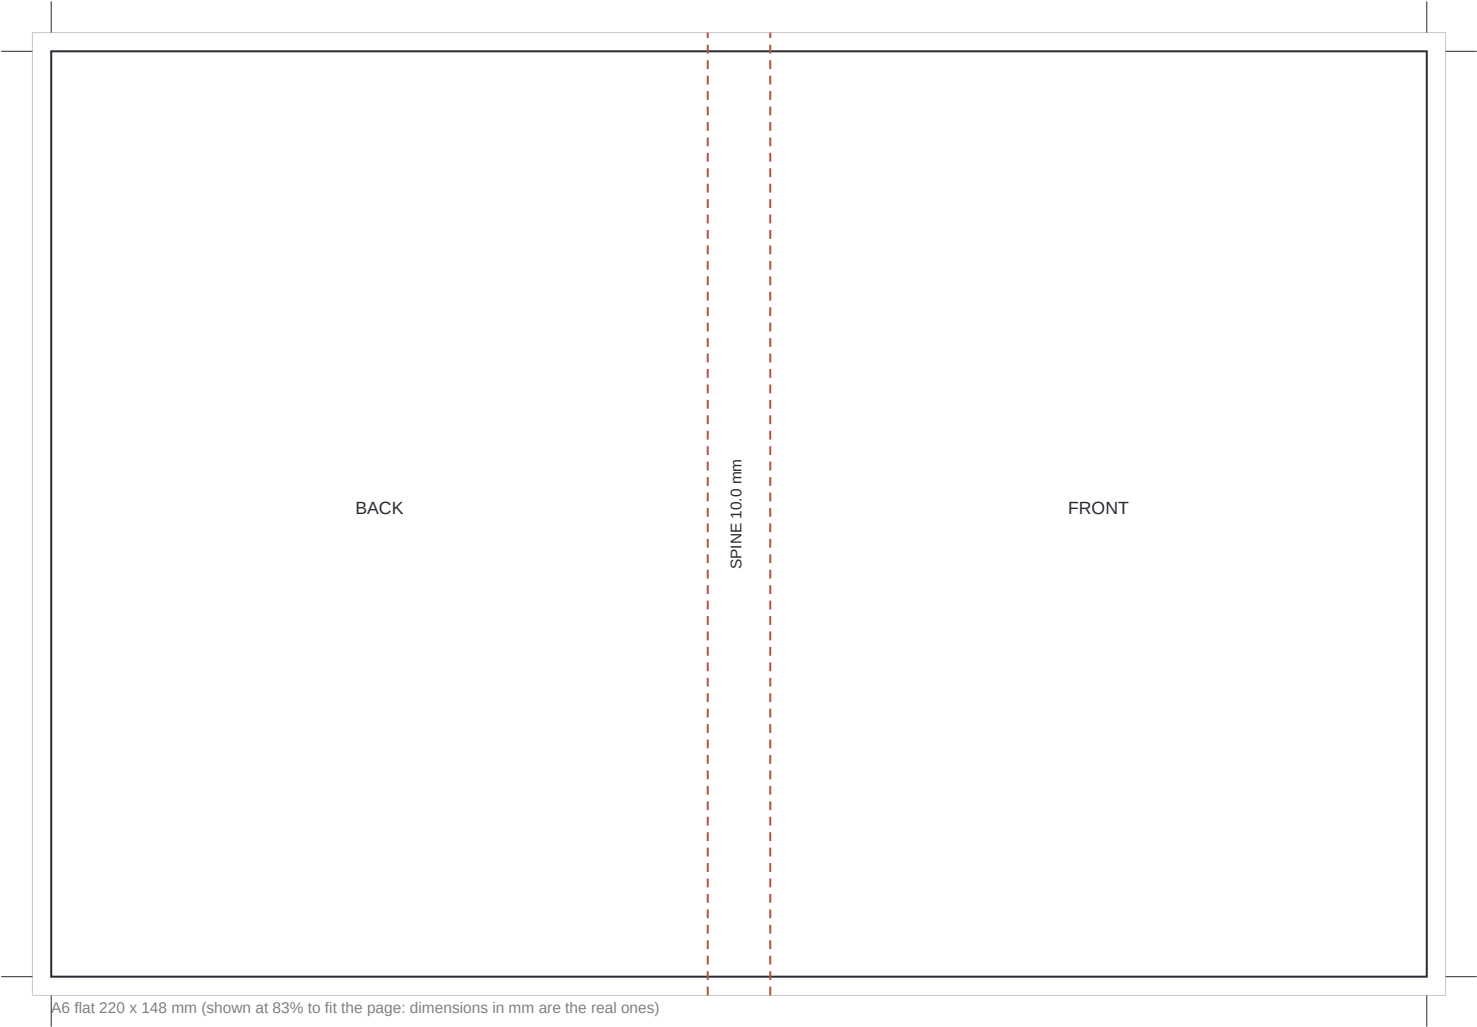

Cover flat · A6 · spine 6 mm

Solid line = trim. Grey line = 3 mm bleed. Dashed = folds. Crop marks outside. Draw or paste your design inside; keep text 8 mm from trim.

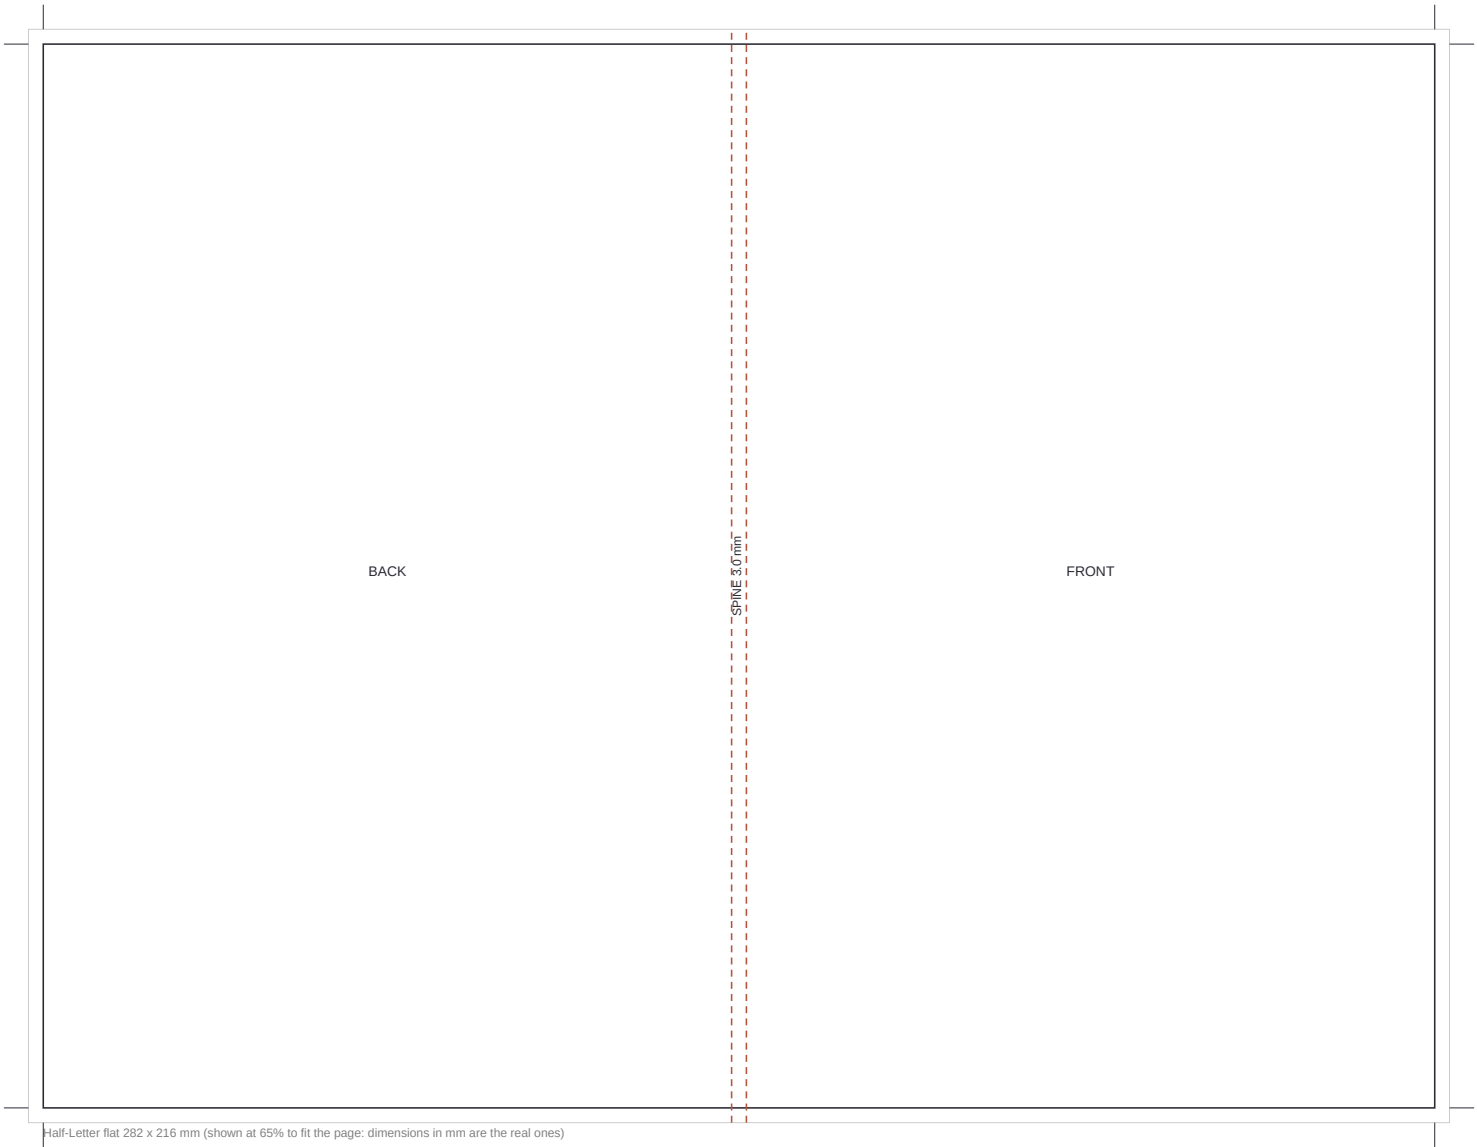

Cover flat · A6 · spine 10 mm

Solid line = trim. Grey line = 3 mm bleed. Dashed = folds. Crop marks outside. Draw or paste your design inside; keep text 8 mm from trim.

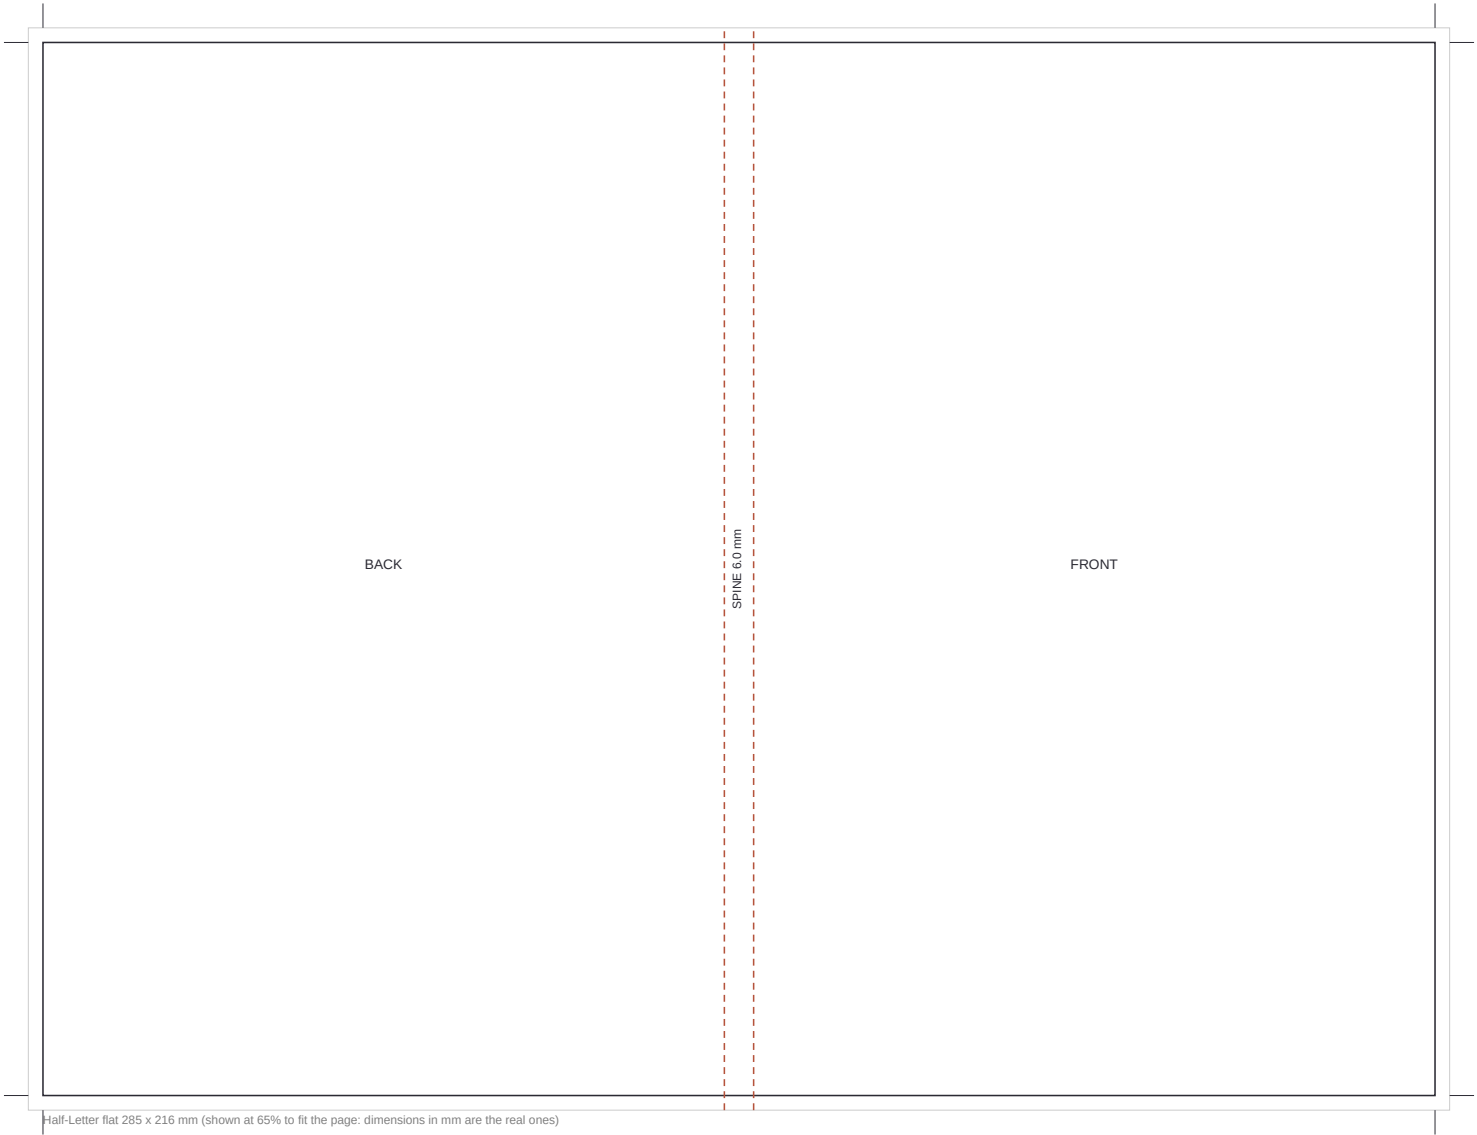

Cover flat · Half-Letter · spine 3 mm

Solid line = trim. Grey line = 3 mm bleed. Dashed = folds. Crop marks outside. Draw or paste your design inside; keep text 8 mm from trim.

Cover flat · Half-Letter · spine 6 mm

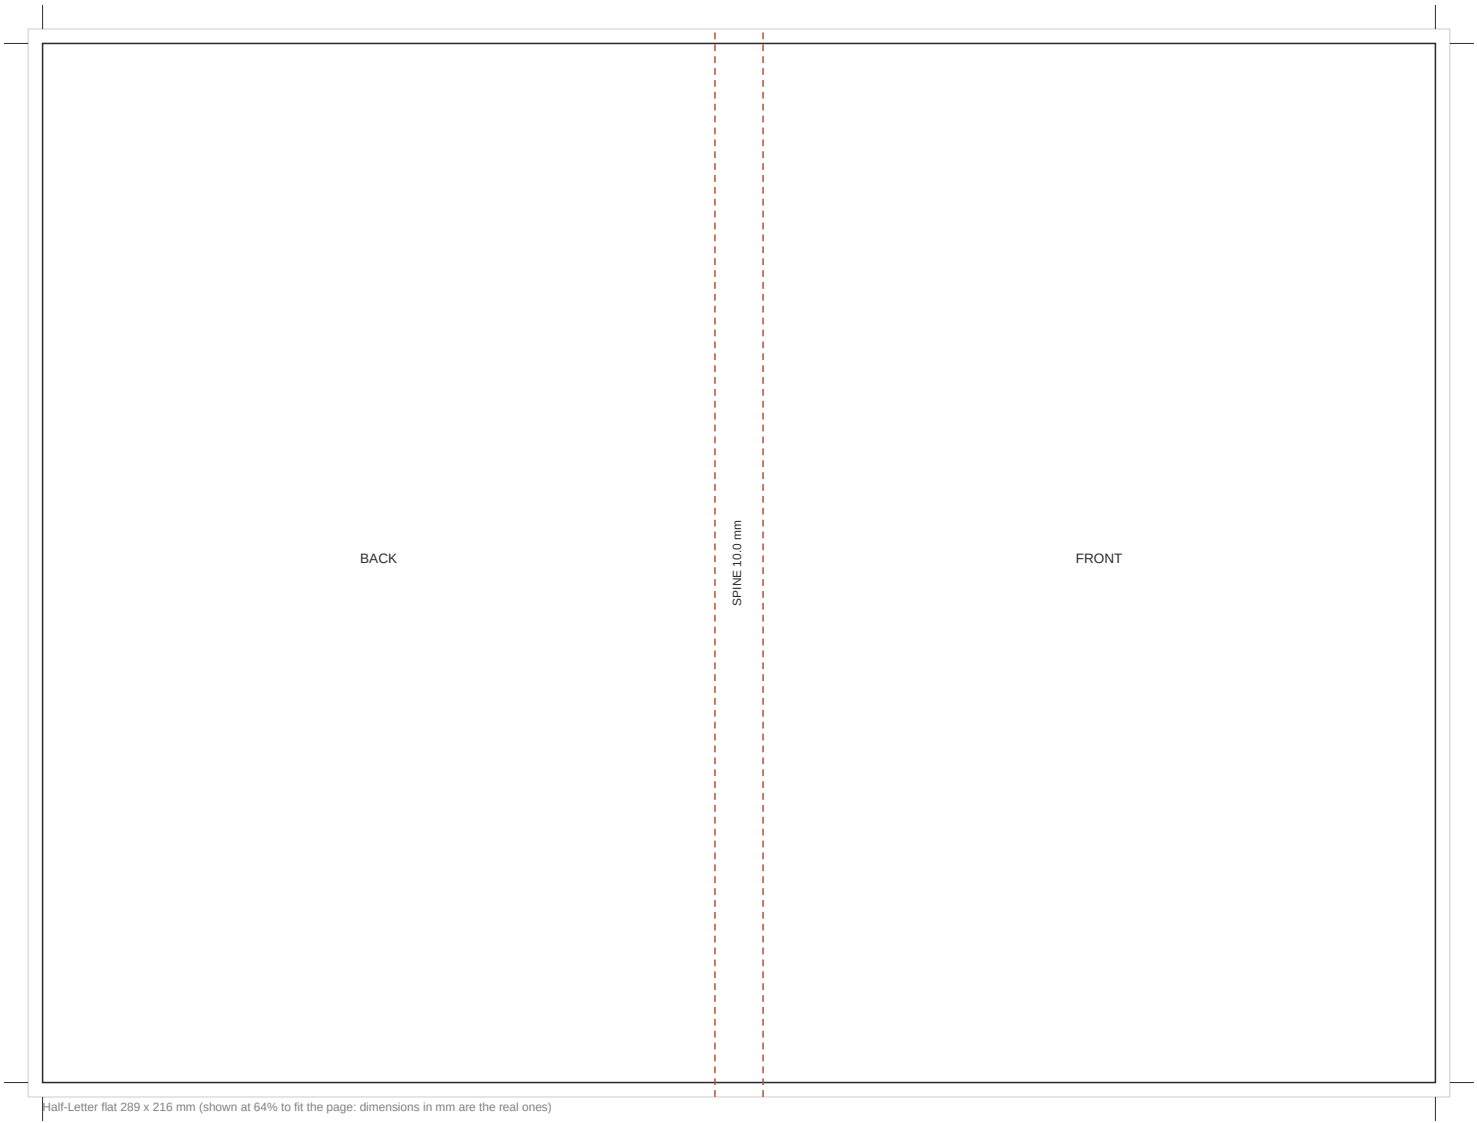

Solid line = trim. Grey line = 3 mm bleed. Dashed = folds. Crop marks outside. Draw or paste your design inside; keep text 8 mm from trim.

Half-Letter flat 285 x 216 mm (shown at 65% to fit the page: dimensions in mm are the real ones)

Cover flat · Half-Letter · spine 10 mm

Solid line = trim. Grey line = 3 mm bleed. Dashed = folds. Crop marks outside. Draw or paste your design inside; keep text 8 mm from trim.

Half-Letter flat 289 x 216 mm (shown at 64% to fit the page; dimensions in mm are the real ones)

Spine width guide (estimates, always measure your own block)

- Text block of 4 sheets (16 pages, 80 gsm): about 2 mm
- Text block of 8 sheets (32 pages): about 3 to 4 mm
- Text block of 16 sheets (64 pages): about 6 to 8 mm
- Text block of 32 sheets (128 pages): about 10 to 14 mm
- Add cover thickness for case binding: two boards plus cloth, usually 2 to 3 mm of hinge gap on each side.
- Wrap a strip of paper around your finished block, mark where it meets and measure it for an exact spine.
